With the agreement of the parties, and with the consent of the defendant, the Court enters this order continuing the date on which the Bureau of Prisons must provide all of defendant Todd Burton Sarver's medical records to his attorney Dan Blank, Esq. The parties agree, and the Court finds and holds as follows:

1. On January 19, 2006, the defendant consented on the record to the release of all of his medical records, including all psychiatric records, in the custody of the Bureau of Prisons to his attorney, Dan Blank, Esq.

2. Accordingly, the Court ordered the Bureau of Prisons to make available all of Todd Burton Sarver's medical records in their custody to Dan Blank, Assistant Federal Public Defender. The Court further ordered that such records be produced on an expedited basis, and no later than February 2, 2006.

1 3. The Bureau of Prisons has identified roughly 3,200 documents responsive to the
2 Court's order. As of 5:00PM today, February 2, 2006, the Bureau of Prisons will make available
3 to Dan Blank approximately 2,800 of those documents.

4 4. In light of the large volume of responsive materials and the need for Bureau of Prisons
5 Legal Instruments Examiners to complete a review of the approximately 400 remaining
6 materials, and for good cause shown, the Bureau of Prisons is hereby granted an extension of
7 time to produce those additional documents. Absent good cause shown, the Bureau of Prisons
8 shall make available the remaining responsive documents to Dan Blank no later than February
